## Story あらすじ

After 2 years of training, the Straw Hat crew reunites in the Shabondy archipelago. They pass through Fishman Island and finally reach the last sea, the "New World".

The Straw Hat crew, behind the proposal of Law -who they met again by chance at Punk Bazard island-, form a "pirate alliance" to defeat the Yonkou Kaido. First, they capture Caesar Crown, in order to use him to lure out Doflamingo, who has connections to Kaido, then infiltrate Dressrosa, an island under Doflamingo's rule.

...GIVE UP

THAT'S  
ALL THERE

THIS WAS A  
MISTAKE.

RECALLING  
THE WORLDWIDE

POPLANNING HAD  
ABANDONED HIS  
POSITION.

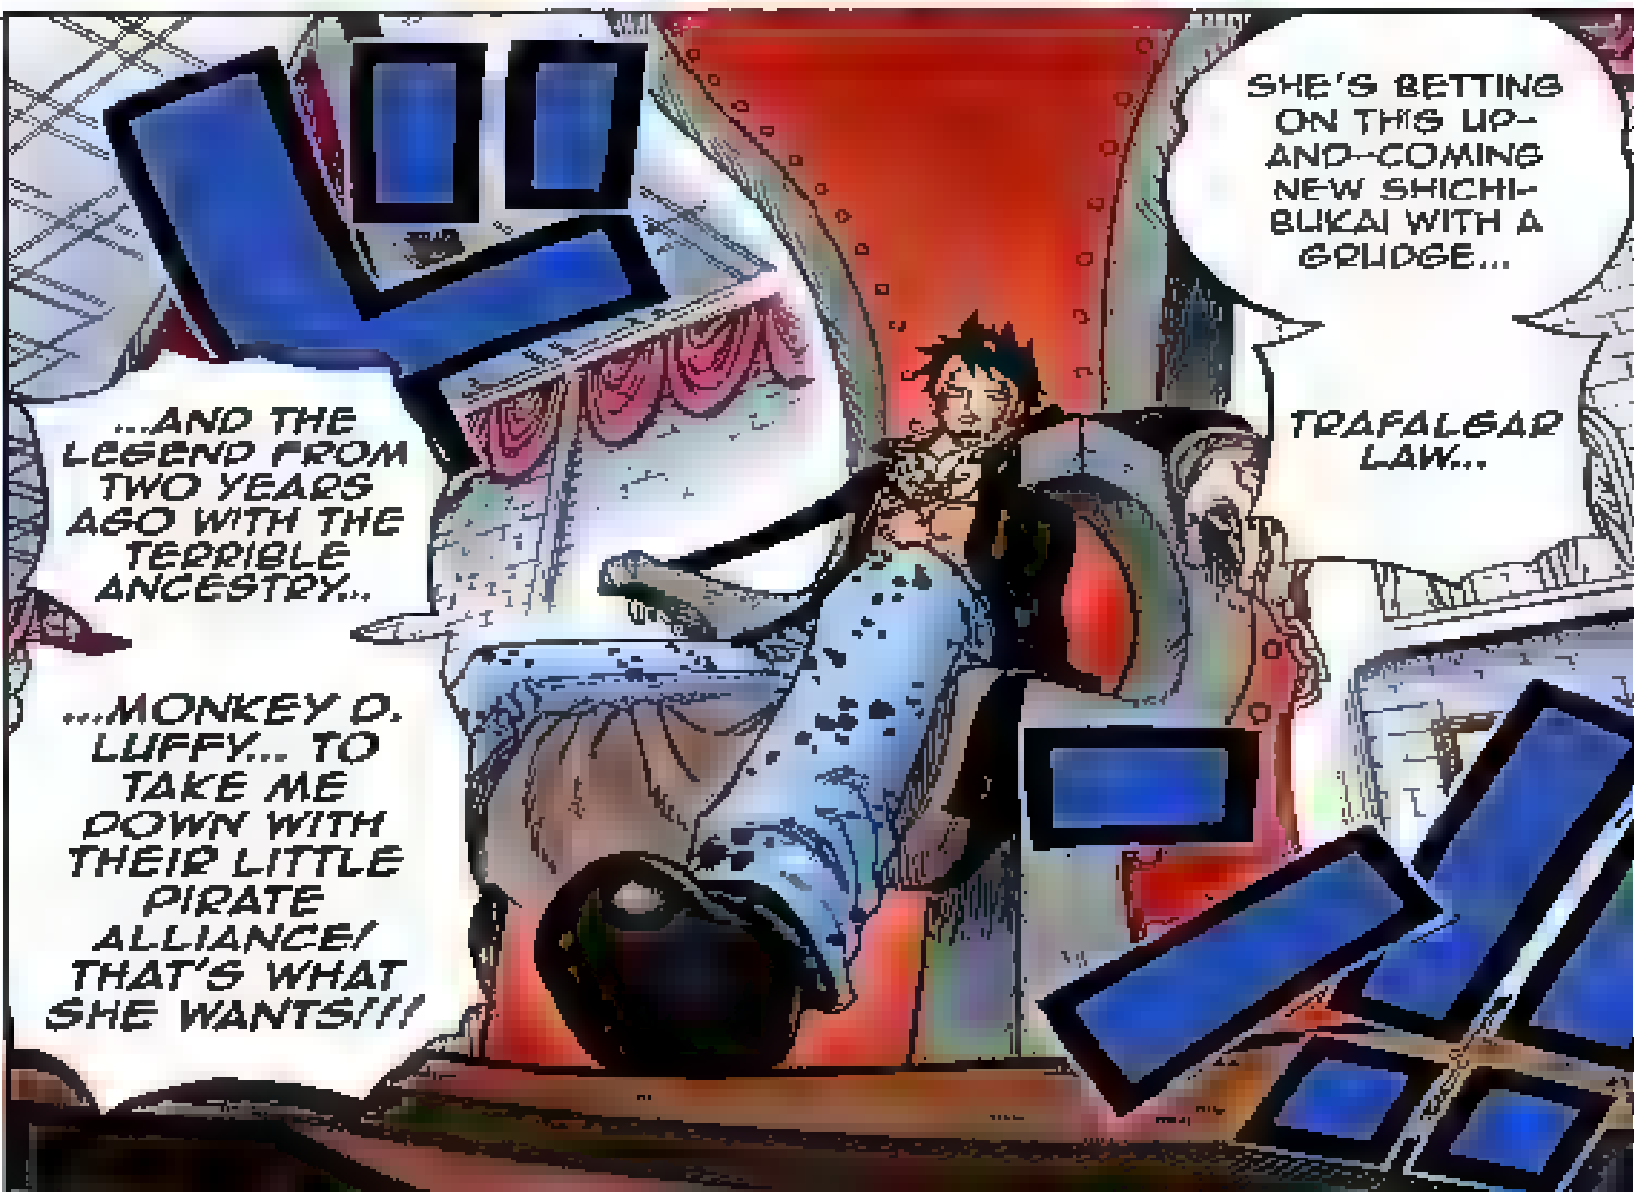

YOUR  
ACTIONS THIS  
MORNING WERE  
SUFFICIENT TO  
MAKE ANYONE..

THAT  
WOMAN IS A  
CALCULATING

MAKING A  
GAMBLE!!

BUT I THINK  
VIOLA IS  
DIFFERENT

..FUFUFU

...AND THE

AS FOR  
THE REST OF

WHAT ACTION  
ARE THEY

THE ONLY ONE  
TROUBLING ME

THAT STRAW HAT

THERE ARE  
ONLY TWO  
ROUTES FOR  
THEM TO REACH

THROUGH THE

**R :** Oda-kun! Yesterday me and my little sister were playing Pants-man, wearing pants over our heads and stuff. Oda-kun, wanna play too? You just need to wear pants on your head and say "I won't forgive anyone who doesn't wear pants!" Got it? Try it! It's fun!

from Maehara-san

**O :** It looks so fun! Yaaay!...right. Stop it!!!  
Where's the dignity!! & The decor!!

**R :** Robin's hands are so pretty, aren't they. I want to rub them.  
Please. P.N. Yoshikage 0130

**O :** Aaah it's a pervert!! & Give me a freakin' break!  
This corner gets lots of angry mails from the PTA, you know.  
Please stop sending such unrefined questions!!

**R :** Oda-sensei, which scene made you cry the most while you were drawing it? Please tell me.

P.N. ca-100

**O :** Ooh...good. Serious questions like this are good...  
Personally, there are a lot of scenes that I drew with tears in my eyes...  
It also happens a lot that I can't go on drawing and I have to stand up from my desk.  
The one scene that made me cry the most, as in I had the hardest time drawing, was towards the end of the Alabasta arc, where Vivi screams "Please stop fighting!!!" (vol 23)  
I remember that it was too hard, I couldn't go on drawing... If I think about it lots of scenes come to mind, but this is the top one maybe...

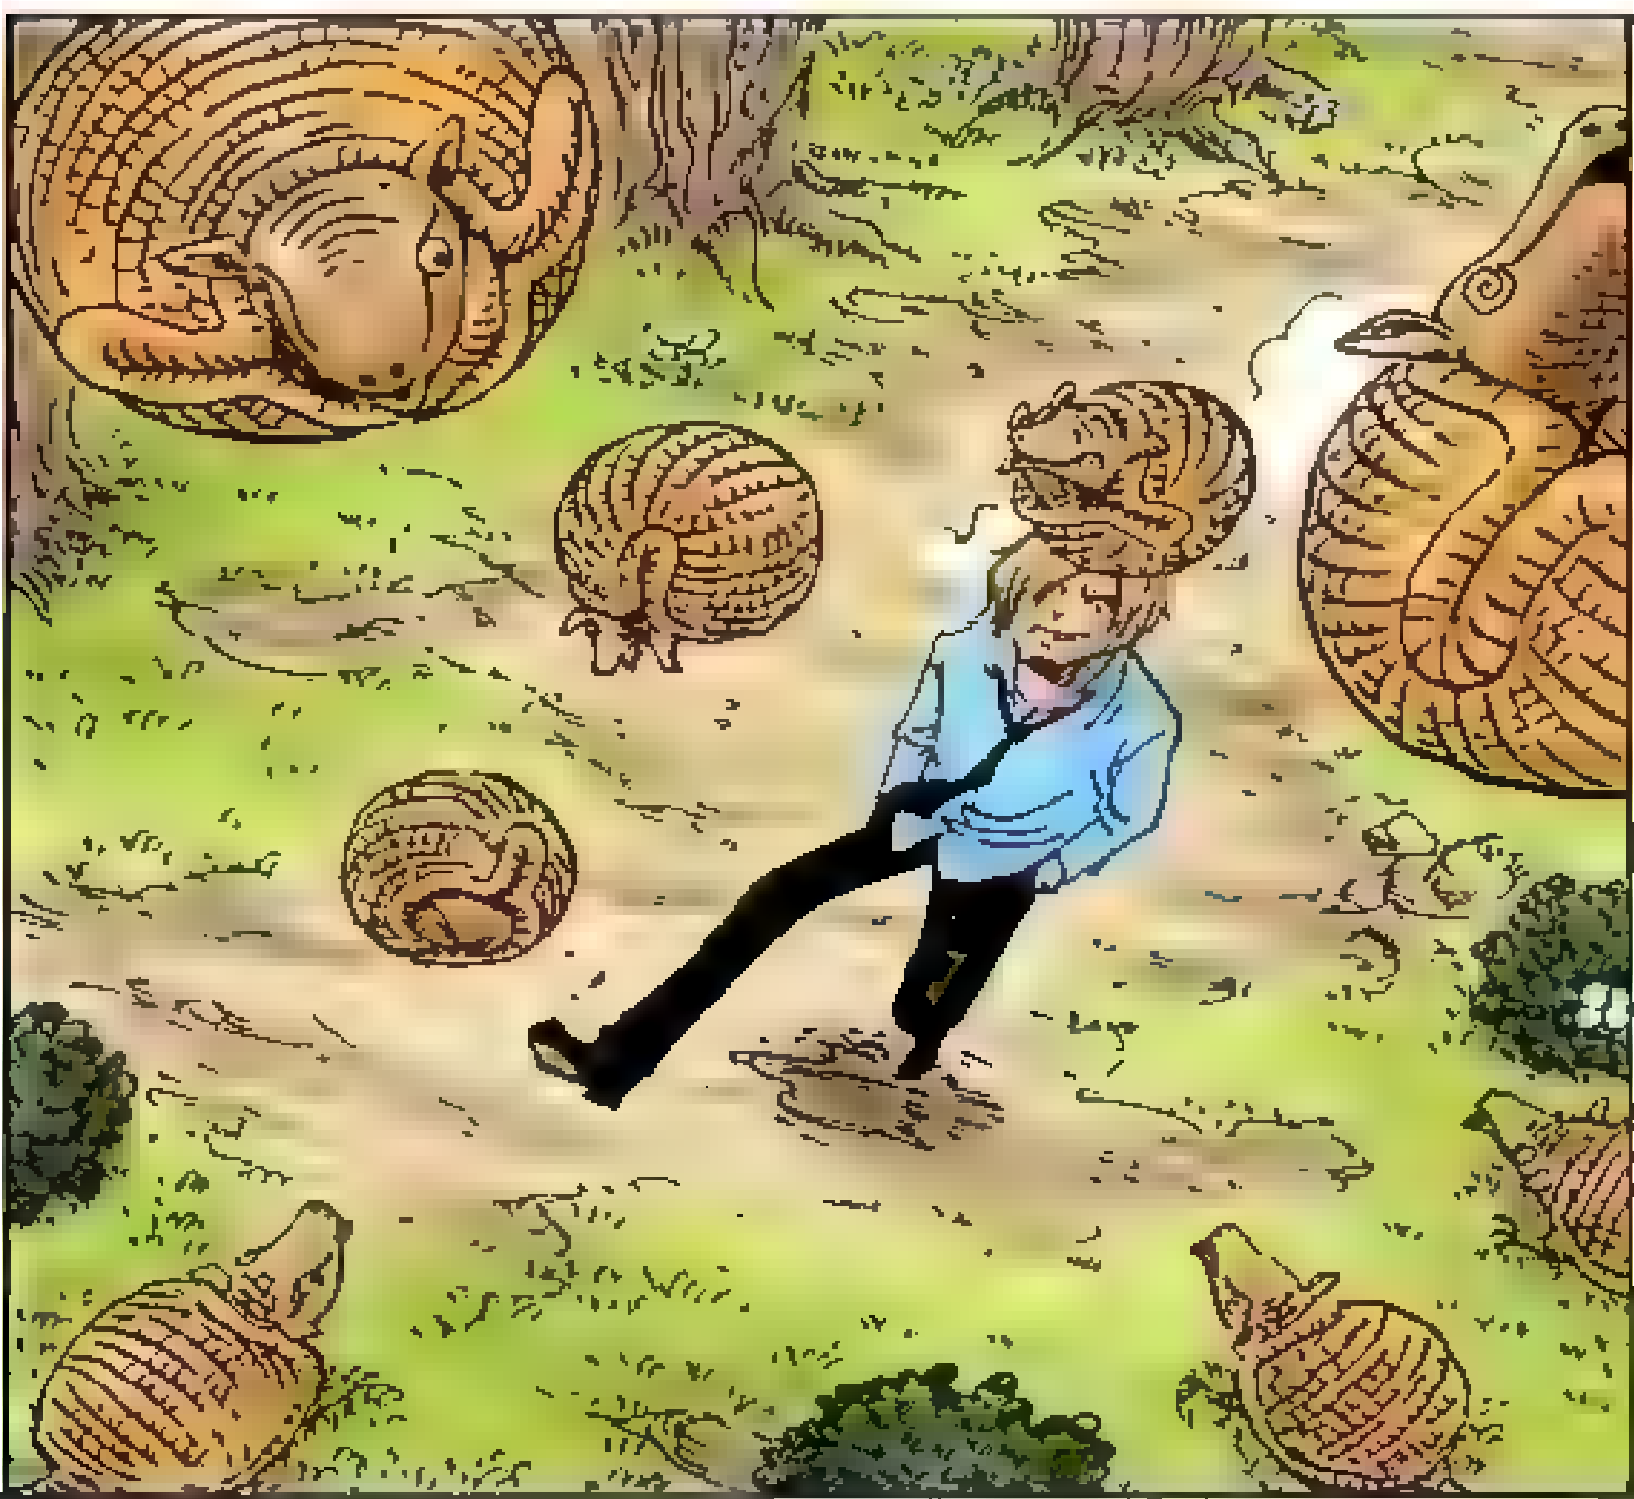

**R :** I have a question. Does Maroo's dick grow back if you cut it off? P.N.: Aokishi

**O :** Yes. His dick grows back. What the hell, you!!! &3

R - Is August 10th OK for Fujitora's birthday? 8  
(Hachi) = Fuji, 10 = Tora P.N. Torohitomanu

O - Hmmm... (pretending to think)... hmmm... (more  
pretending)... ZZZZ... (fell asleep) Ahhh (woke up) Okay!

R - Hiya Odaocchi! Is Fujitora based on Zatoichi, as played by Katsu  
Shintaro? I don't know this person, but mommy and daddy  
said so.

P.N. Mitarashi Pango

(NOTE: THE KANJI FOR 8,  
八, RESEMBLES A  
MOUNTAIN, JAPAN'S #1  
MOUNTAIN IS MT. FUJI, SO  
CAN BE READ "TO")

O - Yes, that's right. For my generation, "KatsuShin" is the one and only, we can't  
accept any others.

No way youngsters know him, huh...there are many new movies titled "Zatoichi",  
but in the beginning the famous actor Katsu Shintaro raised it from the side  
character of a certain story, and counting movies and TV series, they made over  
100 works with him! It's a super famous period piece!

Yes... what, you're not interested? I know! And so, Katsushin was a guy that  
really hated scripts, you see? Imagine that for the TV one...

R : Oda-sensei! When will the marine admiral "Momousagi" appear in the story!?  
Momo "Sexy Dynamite" Usagi will blow everyone's heads...  
I mean, everyone's minds!! Everyone talks about her!

P.N. Sanji's little brother, Yonji #2

O - Hmnn?! Momousagi...?? ...???

Er, wait, the admirals now are Kizaru...

Fujitora... Ryokugyuu...

Momousagi!? Aaah, her!

Y-yeah, I know! The vice admiral! The one that  
was a candidate for admiral, right?? Yeah, of  
course I know her.

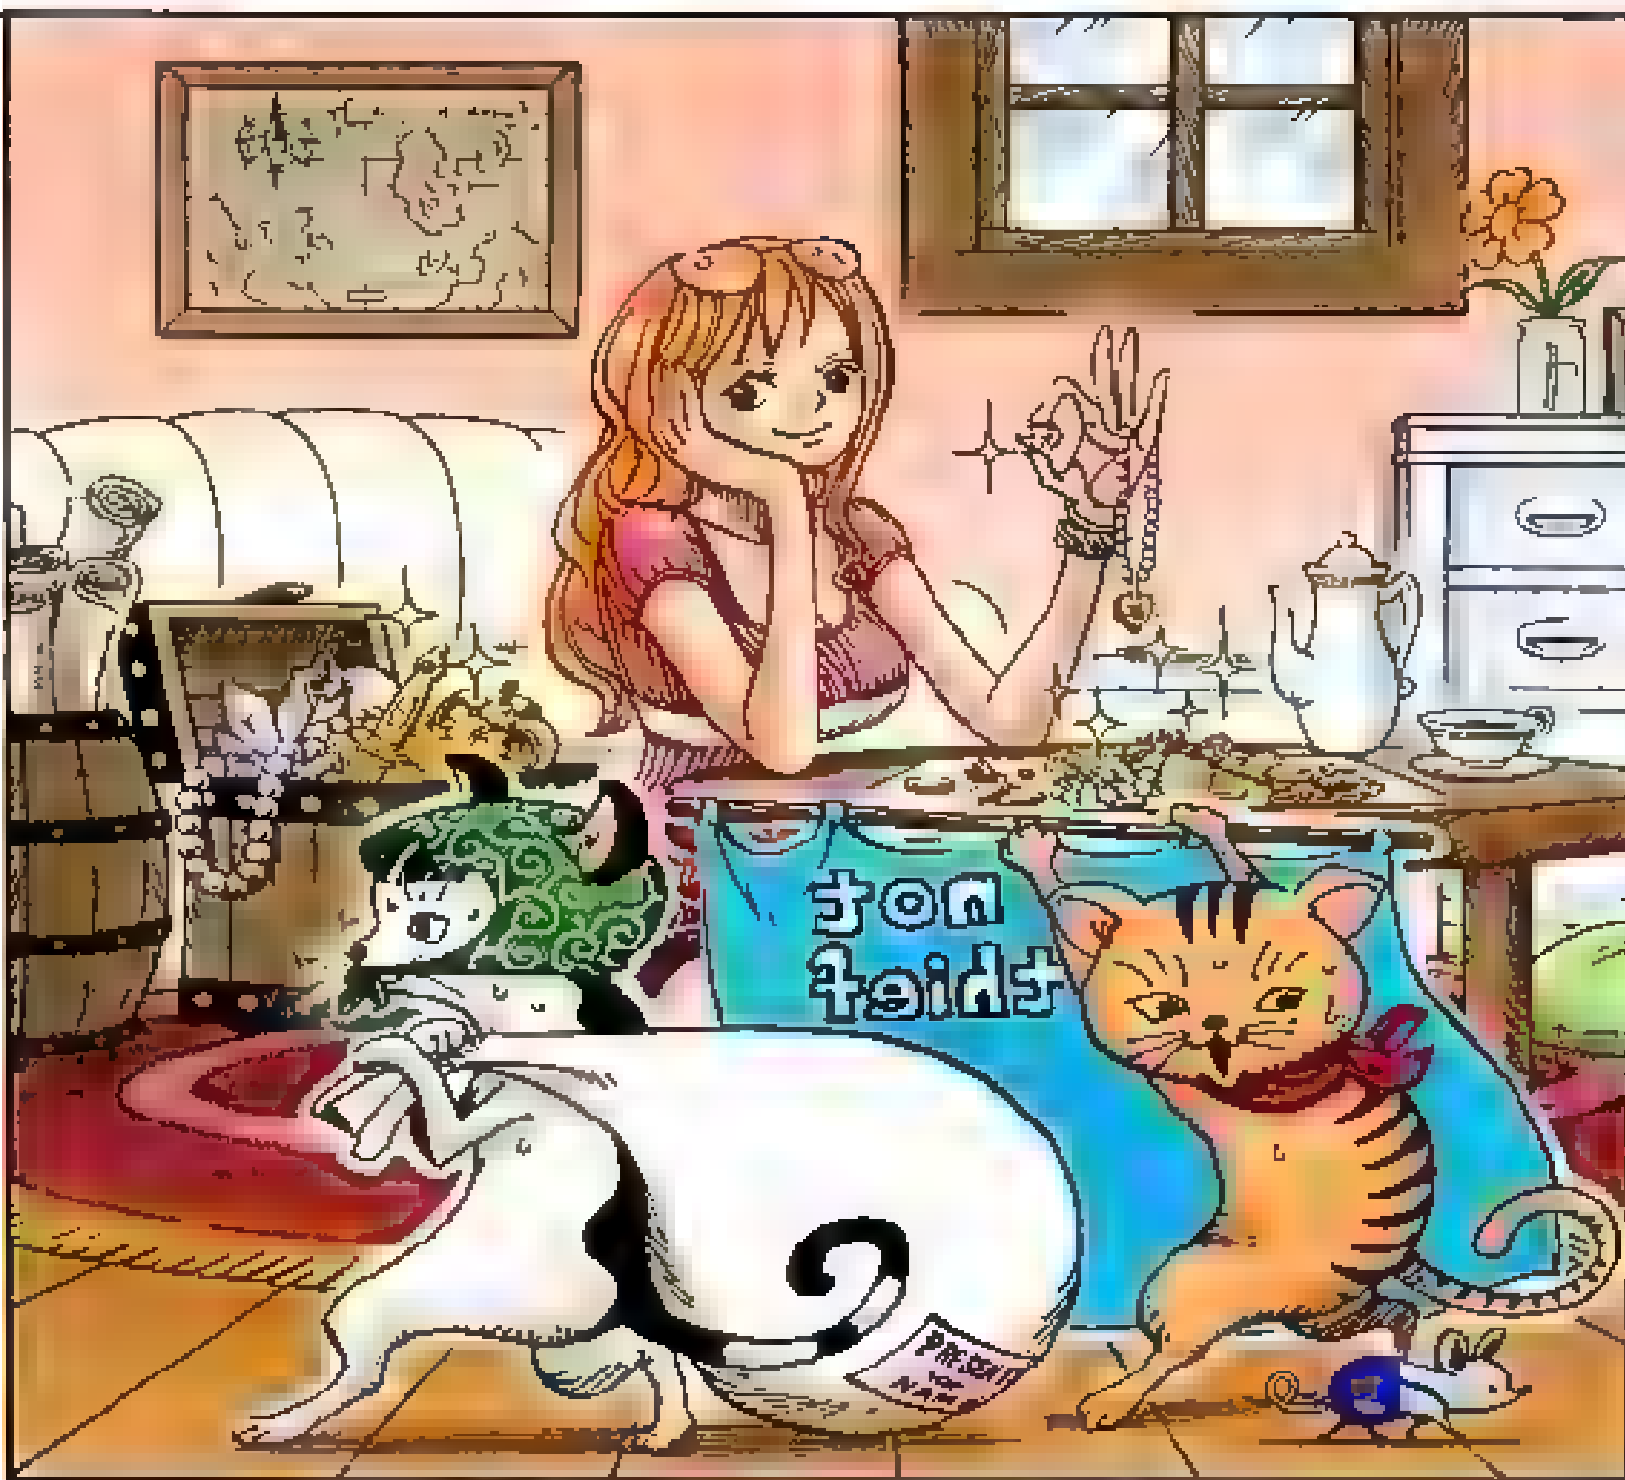

OK, I'll show it to you all now. This is the vice  
admiral "Momousagi". ➡

They say that she's modeled after a young  
Kagure Michiya.

**R** : Luffy's Haoshoku knocked out 50,000 people, but how many people could Nami's Happiness Punch knock out?

P.N. Capt. Nobuo

**O** : I see, this is a difficult context. Well, if they do it with nothing more than their own body as tools, Happiness Punch only works as long as it can be seen, so it can't keep up with Luffy.

But if it was possible to use video Pen Pen Mushi, Luffy's Haki can't be transmitted, so Nami could attack the whole world at the same time, and would win, I think.

However, we must pay attention to the fact that "Happiness Punch" causes a 100,000 Belly damage to the wallet, so we can say with certainty that it's a nastier attack than using Haki.

**R** : I want to know at what time the Strawhats get up & go to sleep! P.N. Fujiyama

**O** : I see, that's an interesting question. Most of them don't have a fixed rhythm, but more or less...

Sleeps when he gets sleepy  
Gets up when he wakes up.  
(Sleeps roughly 5 hours a day)

Sleeps at 4 AM.  
Gets up at 7 AM.  
(+ various naps)

Sleeps at 11 PM.  
Gets up at 7 AM

Sleeps at 1 AM  
Gets up at 8 AM

Sleeps at 12 AM  
Gets up at 7 AM

Sleeps at 3 PM  
Gets up at 7 AM  
(+nap)

Sleeps at 11 PM  
Gets up at 8 AM

Sleeps at 1 AM  
Gets up at 8 AM

Sleeps at 12 AM  
Gets up at 5 AM

Plus, since they sail at night too, they have to keep watch at the front and the back of the ship, so two people are awake at all times: they operate in 2 hour shifts. It's rare that they can sleep for long periods.
